Welcome To Our Newsletter

The cooler months of autumn are upon us now and the beautiful colours are starting to show. As always we have a lot going on in our home and we look forward to sharing all we have been up to...

We cannot however overlook the death of Her Majesty Queen Elizabeth II, this has had a profound effect on our residents and staff and we have taken time to mourn, reflect and be thankful for her life and service.

If you know someone who would like to receive our email newsletters just let us know, or forward them the newsletter sign up link below:

Special Visitors

Warm Welcome

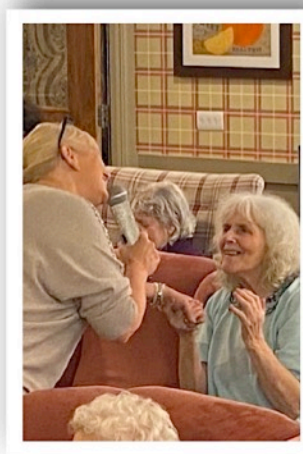

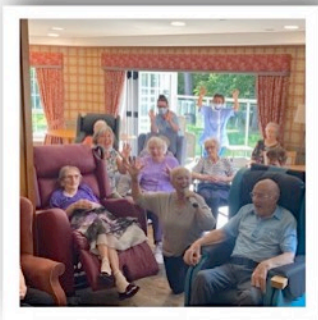

Nursery Visits

What a lovely social visit we had from our local Nursery children. It's always great to see their wee faces. It certainly brightens our day!

Entertainer

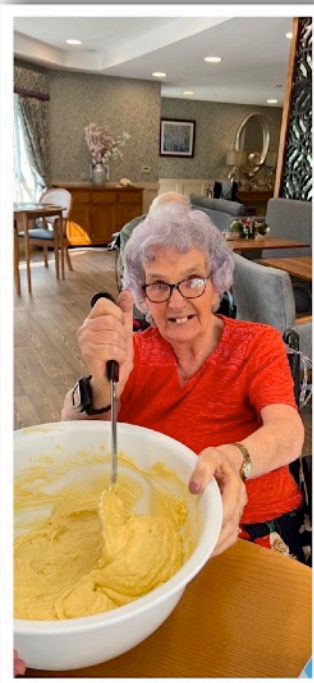

A big thank you to Christeen for coming along to our home to perform for us. We all thoroughly enjoyed the songs, with plenty of toe-tapping and dancing to be seen!

Baking Class

Lemon Drizzle

Baking is always a favourite activity and this class was no exception as we made a super lemon drizzle cake!

Care About Physical Activity

Helping Hand

It is very important for residents to keep up with daily living tasks in order to promote independence. One of our residents have been helping out with some gardening such as watering the plants. Thank you for your help!

Trips Out & About

Wonderful Outings

Trip to Chatelherault Country Park

After the success of last month's trip, we re-visited Chatelherault Country Park, where we enjoyed the Tea Room and a wander through the Visitor Centre where we learned about the building and surrounding areas.

Bothwell Road Park

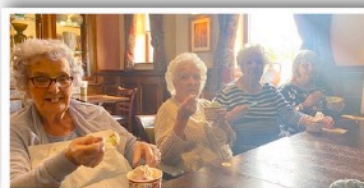

It is great to have a sensory garden so close to the home, allowing us to explore different sights and sounds. We always enjoy our visits to Bothwell Road Park.

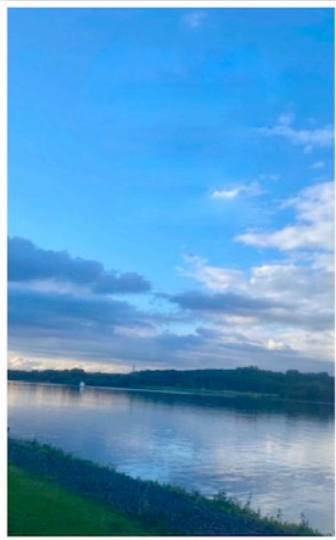

Red Burn Farm

We love getting out and about here at Bothwell Castle. Recently, we took a super trip out to the Red Burn Farm in Blantyre for an ice cream treat.

This went down very well with those who went along - I am sure we will be back soon!

Strathclyde Park

We, once again, visited the beautiful Strathclyde Park for the amazing scenery and to feed the ducks and swans.

Thank you, Oana, for assisting our residents on this trip.
