Bothwell Scarecrow Festival

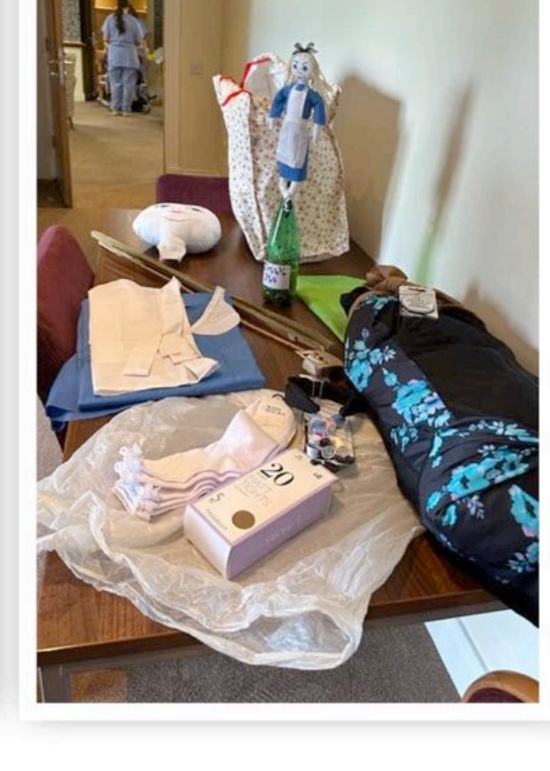

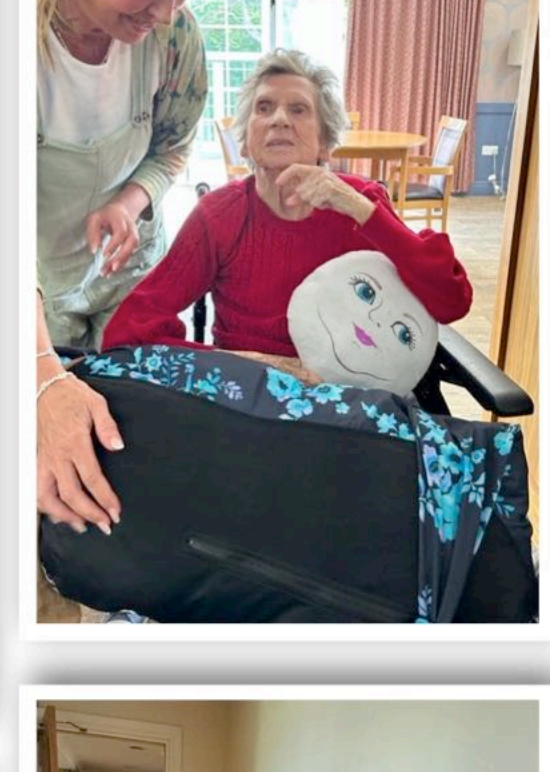

Teamwork!

It's been a pleasure for all of us to collaborate and bring to life our entry for this year's [Bothwell Scarecrow Festival](#). We've put our hearts and souls into creating a one-of-a-kind scarecrow that we hope will leave a lasting impression on festival-goers. The anticipation is building as we prepare to showcase our scarecrow at the Grand Scarecrow Parade on September 17th.

Our team has been working tirelessly to ensure that every detail of our scarecrow is perfect. From the design and construction to the finishing touches, we have poured our creativity and enthusiasm into this project. We've enjoyed brainstorming ideas, making decisions together and seeing our vision come to life.

The [Bothwell Scarecrow Festival](#) is a beloved event in our community and we are thrilled to be a part of it. It's a wonderful opportunity for us to show our talents, connect with others and have fun. We are proud to be a part of this celebration of creativity and community spirit.

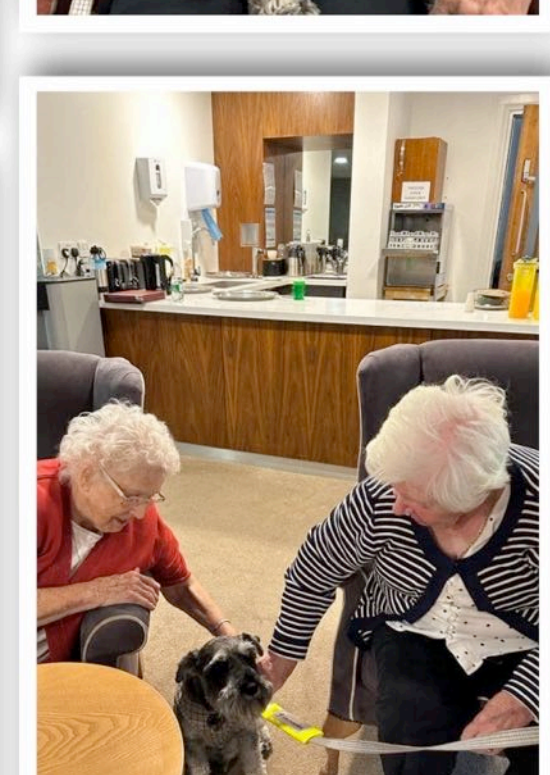

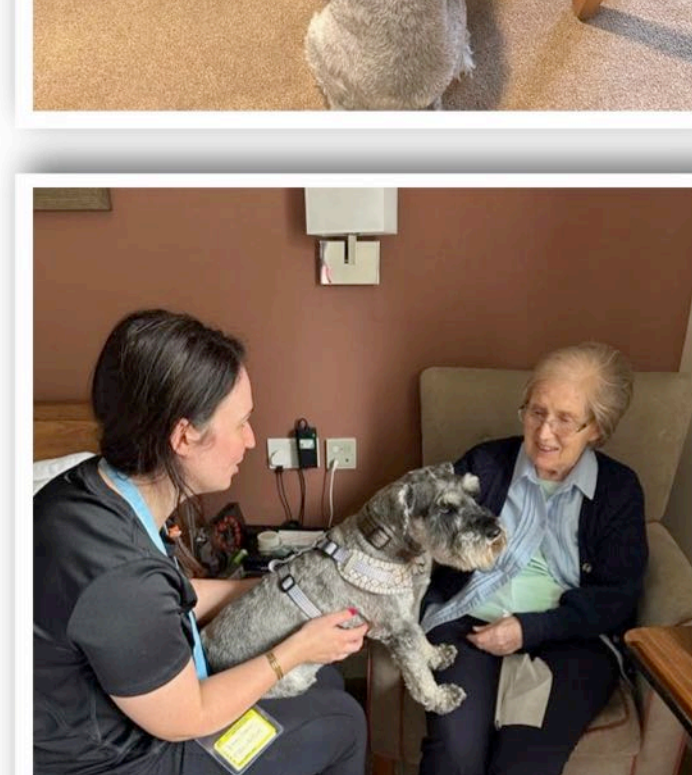

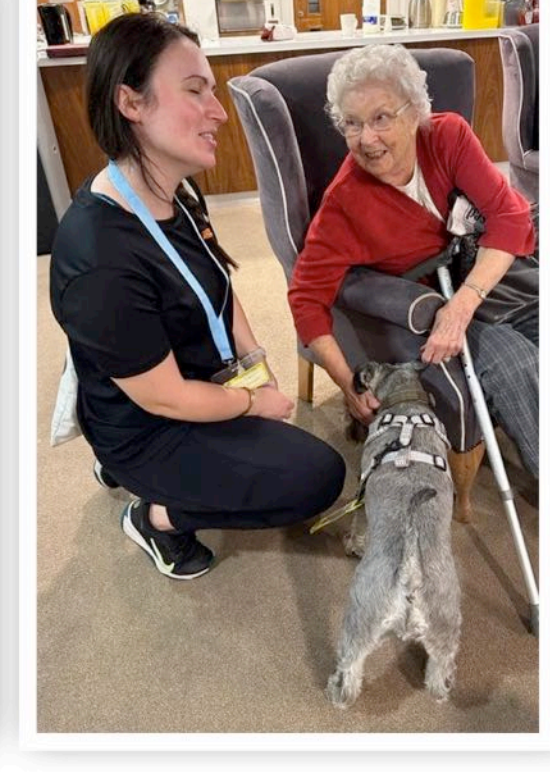

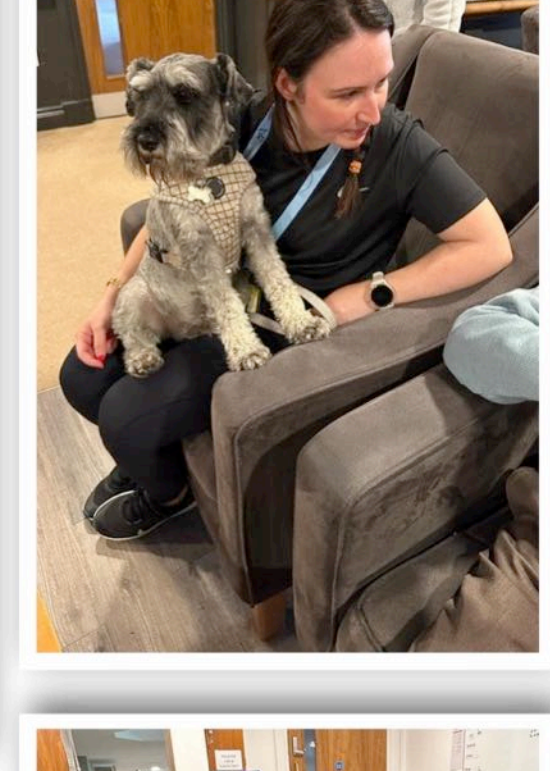

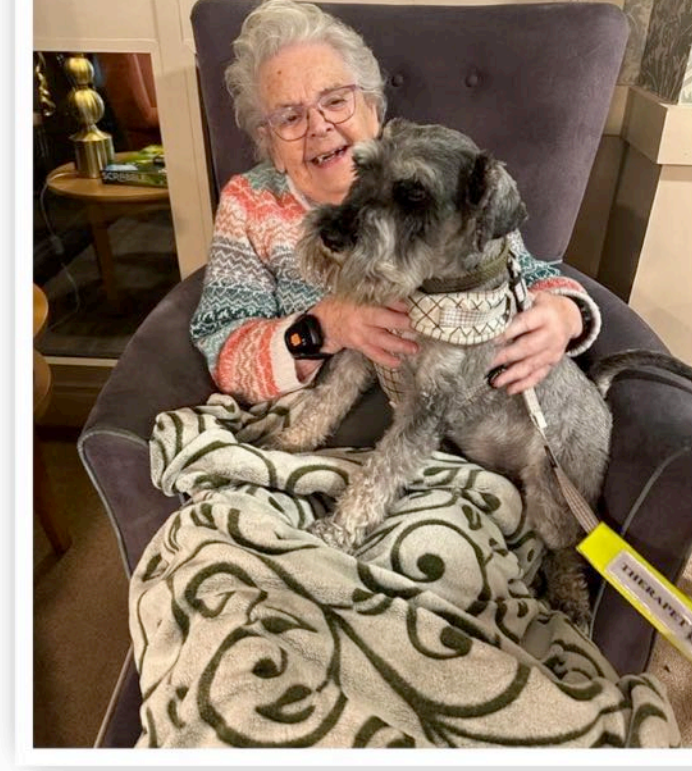

Therapet Visits

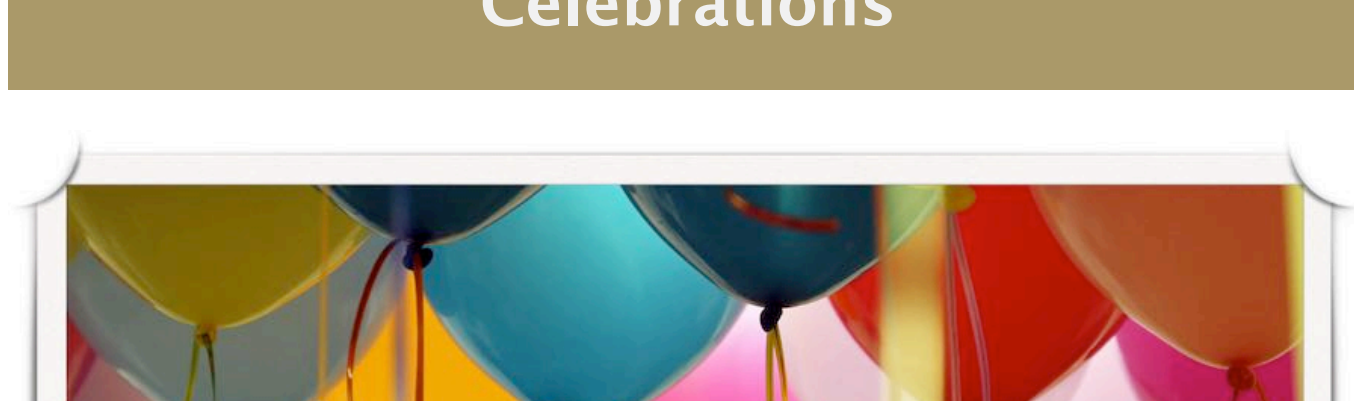

Animal Therapy

We always love having a furry friend to visit and especially look forward to visits from our Therapet dog, Teddy.

Having pets in the home can improve self-esteem and confidence, reduce stress levels, decrease blood pressure and offers a way to increase physical activity. Most important of them all, it leaves a warm feeling in your heart.

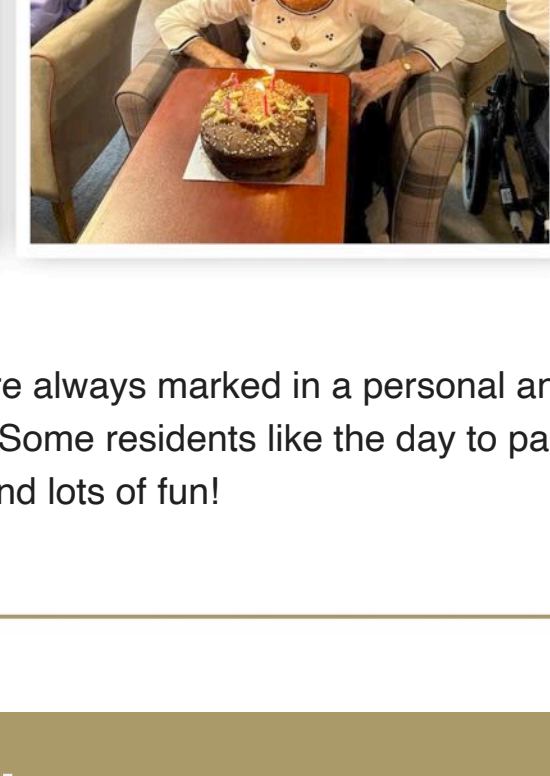

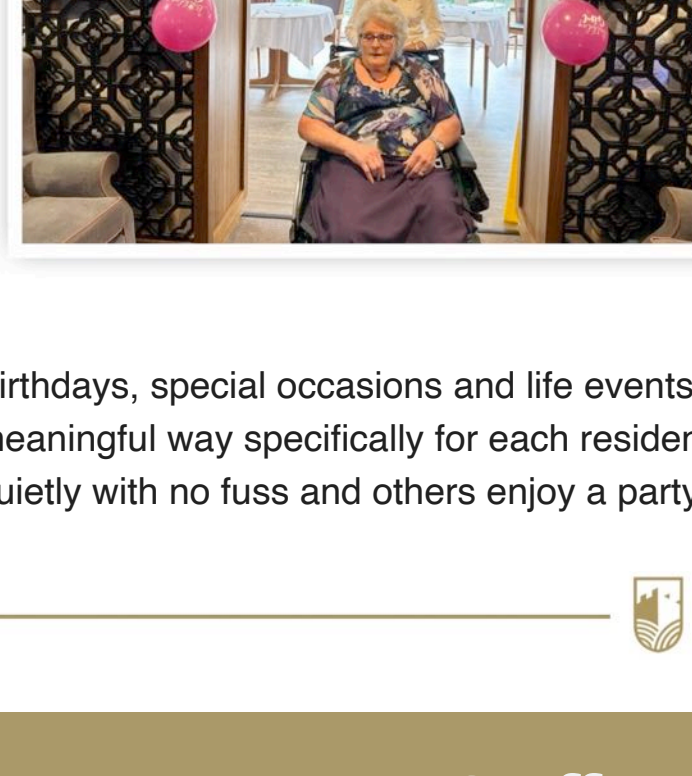

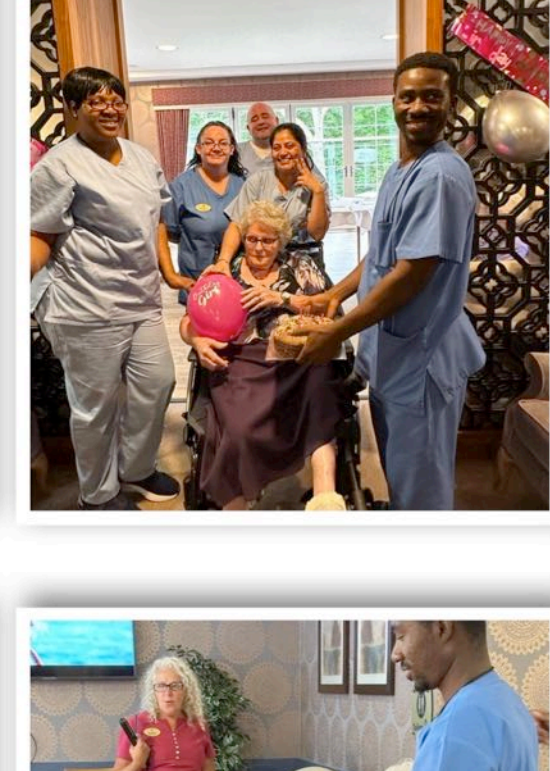

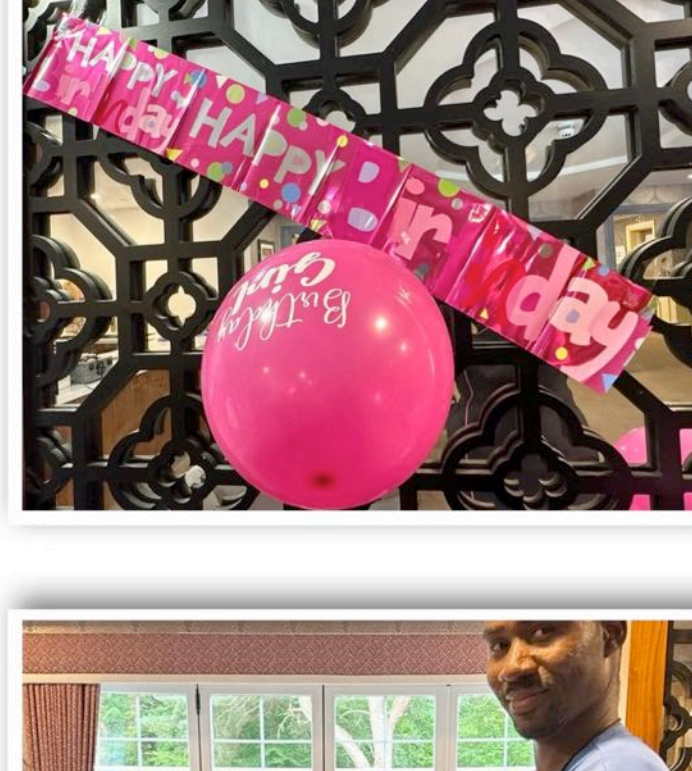

Celebrations

Happy Birthday!

We would like to wish a very Happy Birthday to these amazing ladies and also to all other residents and staff members celebrating birthdays, with love from us all.

Staff Update

Safety Comes First

We recently had Fire Warden Training at Bothwell Castle Care Home, which is a vital step in ensuring the safety and security of our residents and staff. It is incredibly important for us to equip our team with the knowledge and skills necessary to handle emergency situations and we are grateful to Strategic Thinking for providing us with such a valuable training experience.

The safety of our residents and staff is a top priority at Bothwell Castle Care Home and we take every measure possible to ensure that they are protected at all times. The Fire Warden Training adds an extra layer of protection to our already robust safety protocols.

We cannot stress enough how important it is for our staff to be prepared and trained to handle emergency situations. By investing in this training, we are demonstrating our commitment to the wellbeing of our staff and residents.
